This is one of a series of articles which we make available each month to keep our supporters informed about our activities. Trinity HOPE, a not-for-profit charitable organization, raises funds and administers feeding programs that provide a noon meal for the hungry children who attend our schools in Haiti where the Good News of Jesus is shared daily.

Are you Hungry?

Written by Lyn Williams

How many times have you been asked the question, “Are you hungry?” in your life? How many times did you answer yes? Visiting the school children and families in Haiti with Trinity Hope certainly has changed the way I think about hunger. Sure, there are times when I have skipped a meal or two and was ready to eat. However, I have never experienced true hunger where my life or physical well-being was impacted. I have only witnessed true hunger in the children of Haiti. Trinity Hope is a powerful weapon against hunger and a true blessing to the school children that it serves.

The children of Haiti are considered lucky if they eat a meal at home every other day and often that meal is only a piece of fruit. It is wonderful to see firsthand what the work of Trinity Hope does to improve the life of these children. They are served a hearty lunch time meal each day! This meal provides them not only nutrition, but the opportunity to improve their ability to learn both school subjects and the love of God. Watching how happy and grateful the children are was a blessing and a life changing experience. Next time you are feeling “hungry” please think of the children in Haiti and the work of Trinity Hope. Then ask yourself how can I help?
