

News from Trinity HOPE

This is one of a series of articles which we make available each month to keep our supporters informed about our activities. Trinity HOPE, a not-for-profit charitable organization, raises funds and administers feeding programs that provide a noon meal for the hungry children who attend our schools in Haiti where the Good News of Jesus is shared daily.

It's All About Love

By Keith Logan

Executive Director for Trinity HOPE

Sometimes love looks like cut-outs of red hearts pasted on a homemade card. Sometimes it looks like a dozen red roses from the local florist. For some, it may even look like a fancy dinner and a good bottle of wine. February is known by many as “the love month”.

At Trinity HOPE, love looks like a simple bowl of beans and rice, given to over 60,000 hungry children throughout Haiti every school day. Jesus tells us in the Gospel of John, **“Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”** (13:34-35). Every meal fed to the children in Haiti is served at 1 of 260+ Christian schools, where the children learn about God’s love and the gift of His Son, Jesus Christ. Many of these children come from homes where the parents may worship Satan through the practice of Voodoo. The teachers and pastors

associated with their school help the children discover *God is love*, and these same children grow up becoming the true missionaries of their communities. Through the power of the Holy Spirit, parents are often learning about the love of Christ for the very first time from their young children.

The single meal received each school day is vitally important for these children, often being the only food they receive all day. Conditions in Haiti remain very challenging, and in many cases, the food at school is a bigger motivation for children to attend than the education itself. Trinity HOPE is blessed to serve God by serving His children throughout Haiti. **“We love because He first loved us”** (1 John 4:19).

If you are interested in learning more about Trinity HOPE, or are interested in helping us feed more children, please visit our website at www.trinityhope.org. May God’s abundant love envelope you and your loved ones this February, and throughout 2024. Thank you for your continued support.
